ISSUES RAISED BY COUNCILORS AND MANAGEMENT RESPONSE

In the report to the Oversight Committee's meeting of 17 January 2011, the following is stated on page 14 of the report:

3) Have arrears for rates and services owed by Councillor in which the arrears was for more than 90 days been disclosed including the name of the Councillor.

REPLY:

3) Councillors arrears for rates are up to date.

According to information Councillor V. Ramdaas Bachu is in arrears of approximately R7 500.00.

Section 12A of the Code of Conduct promulgated in terms of the Municipal Systems Act of 2000 provides:

"12A A Councillor may not be in arrears to the Municipality for rates and services charges for a period of longer than 3 months".

MANAGEMENT RESPONSE

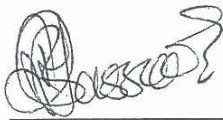

Councillor Bachu's account was in arrears as at 30 June 2010 because her meter was not read for number of months and the Council used estimates to bill her electricity account. When the actual reading took place towards year end, a total amount of R8 219.89 became due and was deducted from her allowance for June 2010. However she wrote to Management requesting that an arrangement be made so that Council can deduct for a period of 18 months to recover the amount and it was approved and currently deductions are underway as per agreement.

RESOLVED

- That the Draft Oversight Committee report for 2009/2010 be adopted without reservations.
- That in future, Mr Sibande workshop Councillors with regards to the Annual Report and the issues to raise when making their submissions. And for communities to be familiarised with the Annual Report so that they may be able to comment on it.
- That the Oversight Committee Report be tabled to EXCO this week and to Council in February 2011.
